Since 1936, *Finocchio's* has been showcasing female impersonators in comedy, song and dance. Generations of audiences have enjoyed the entertaining cabaret presentations at this San Francisco landmark. Family-owned and operated for over 55 years, three generations of the Finocchio family continue to offer quality, innovative entertainment – just good, clean fun. Illusion, impression, and impersonation as presented here will certainly make you realize that seeing is not always believing.

Through all the years, our greatest satisfaction has come from seeing you – our audience – enjoying our club, our performers and our shows. It is with a great deal of pride that we welcome you to *Finocchio's*.
