3. Status Quo:

Design Notes Done	28
Design Notes Needed	47
Costumes to be Stitched	68
Costumes in Partial Stitching	1
Costumes Completed	7
Total Costumes (not accessories)	75
Costumes Remaining to be Completed (balance)	68
Daily costume construction to finish on-time; amount of costumes to be done	3

- i. Problems and solutions for finishing task
- ii. Construction Tracking SpreadSheet
 1. Authors: Dave Fremland & Alice
 2. Spreadsheet updated 3FEB; Alice hasn't provided new info; agreement is that Alice initiates.
 3. Purple Tracking Folder: all of Alice's notes on costumes that are in progress after having met with actors and then deciding which construction needs to be done; Dave has offered to organize and transfer the information from the Accordion File with Alice's design notes into the Purple Tracking Folder; from this the spreadsheet is updated. Not updated since Feb. 3rd. Alice has been asked 3 times since 3Feb. Dalton is aware.
 4. Accordion File: contains only the actor costume measurement templates for the Thrillpeddler archives
