EDITORIAL NOTES

THE EDITOR'S TRIP

As described in our June issue, ye editor made a motor trip through New England, New York, Pennsylvania, Ohio and Indiana; and during the trip had the pleasure of visiting and meeting with a number of our members located within the scope of the trip. It was indeed a pleasure to meet these folks face to face, and we wish it were possible to visit each one of you personally.

PRINTING ARRANGEMENTS

During our trip we visited Bob Ross—member No. 131 of Crawfordsville, Indiana—and arranged for Bob to print The Directory beginning with this supplement. He has already done several smaller jobs for us. You see, printing is Bob's hobby. We think this arrangement appropriate for a directory of hobbyists.
